## Annex

### **Guidelines on Specified Surrounding Areas**

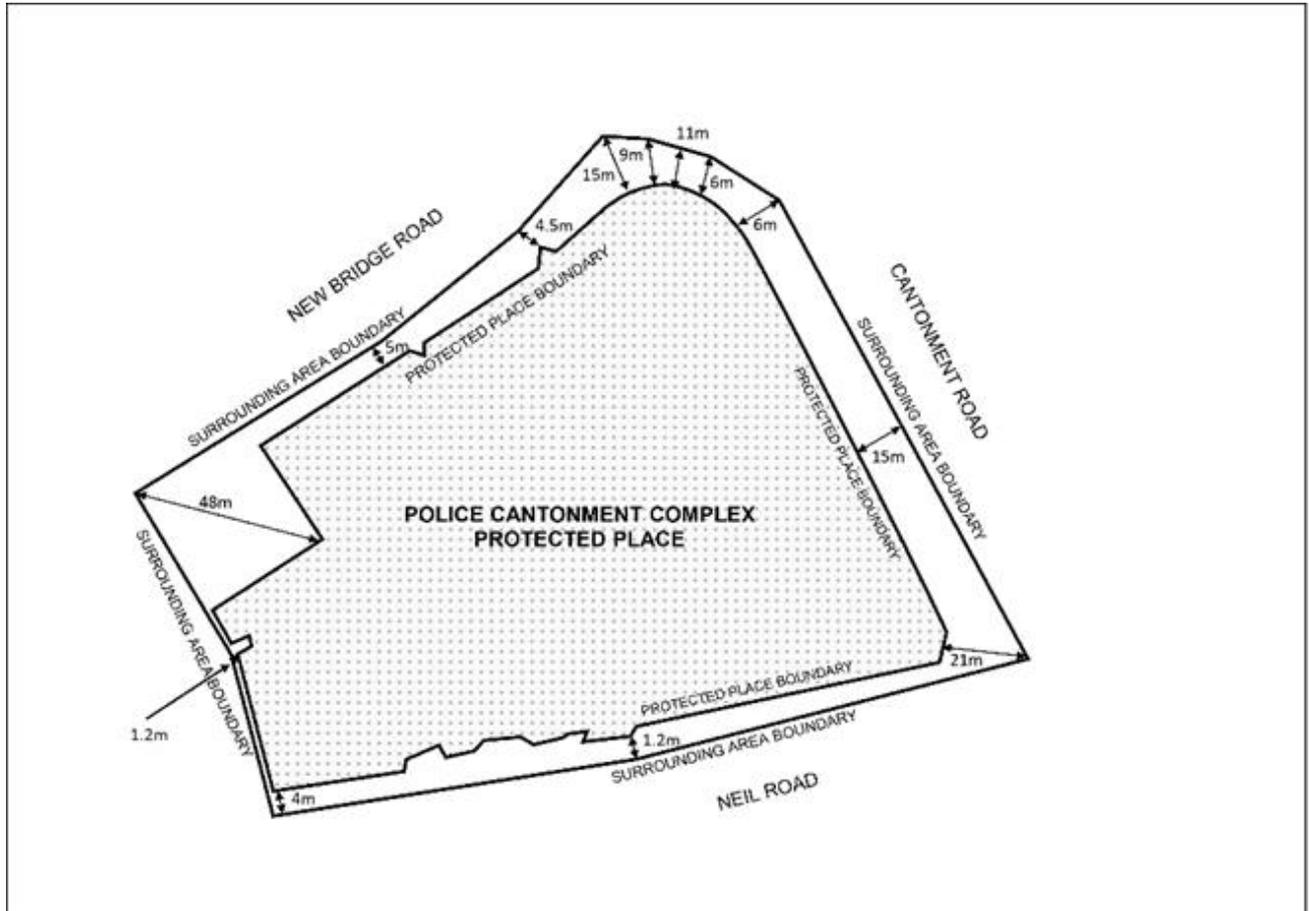

1. In addition to the requirements stated in para. 36 of the PA/PP guide, the authority should also take into account the following considerations in determining the boundaries of the surrounding area:
  - a) the minimum stand-off distance for Person-Borne Improvised Explosive Devices (PBIEDs);
  - b) the inclusion of the immediate pavement/kerbside in the specified surrounding area;
  - c) that the boundaries of the surrounding area be within a reasonable range for authorised officers to respond and exercise their security powers.
  
2. The SOP to issue Move-On Orders should include the following information:
  - a) scenarios to issue Move-On Orders;
  - b) surveillance capabilities to cover the surrounding areas of the PA/PP;
  - c) steps to be taken to advise the person to leave the specified surrounding area;
  - d) restrictions on the authorised officers (e.g. who can issue the orders) (if any);
  - e) procedures to notify Police of the issuance of the Move-On Orders;
  - f) procedures to track Move-On Orders that have been issued (e.g. serial number of the Move-On Order, filing and storing of copies of the Move-On Orders, and recording of the name of the authorised officer who issued the Move-On Order).
  
3. Where approval is obtained to specify a surrounding area for the purposes of ss 27-28 of the IPA, authorised officers may ask a person in the specified surrounding area to do one or more of the following:
  - a) provide the person's name and residential address;
  - b) furnish evidence of the person's identity;
  - c) provide the person's reason for being in the specified surrounding area.
  
4. If the person fails to comply with any of the above requests or satisfy the authorised officer that the person has a good and lawful reason to be in the specified surrounding area, the authorised officer may, by written direction, require the person to do one or more of the following:
  - a) leave the specified surrounding area;
  - b) remove from the specified surrounding area any vehicle or vessel owned or operated by, or any personal property of, that person;
  - c) not return to or be in the specified surrounding area for a period specified in the written direction.
  
5. Authorised officers may also inspect personal property, vehicles and vessels in the specified surrounding area when possession of a dangerous item is reasonably suspected.
